PC – PHYSIQUE (S2)
Module (M127) : Chimie Organique Générale
TD : Série N° 4

Effets électroniques

Exercice I

1) Déterminer les effets électroniques présents dans les composés suivants :

a) 

b) 

c) 

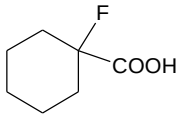

d) 

2) Donner les formes mésomères pour chaque composé ci-dessus.

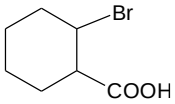

Exercice II

Classer les composés suivants par ordre croissant d'acidité, selon leurs effets électroniques :

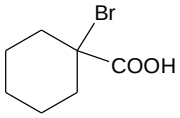

A)

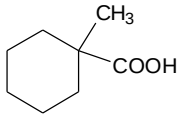

(a)

(b)

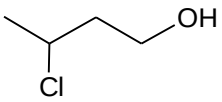

(c)

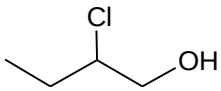

(d)

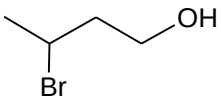

B)

(a)

(b)

(c)

Exercice III

Comparer la stabilité des carbocations ci-dessous :

(a)

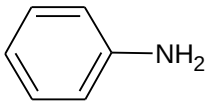

(b)

Exercice IV

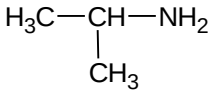

Classer par ordre de basicité décroissante, en justifiant votre réponse, les amines suivantes :

(a)

(b)

(c)
